**STATEMENT ATTESTING TO SEARCH OF FILE JACKET AND DOCKET
RECORDS**

I, Robert H. Reckers, Reg. No. 54,633, am a practitioner of record for the above-referenced patent application. I can attest to the fact that I did not received any communications from the United States Patent & Trademark Office (USPTO) regarding this application from June 10, 2010 (Notice of Allowance) until October 6, 2010 (Notice of Abandonment). In particular, I did not receive the Office letter mailed on July 22, 2010. I have personally conducted a search of our file jacket and docket records to confirm these statements. As supporting evidenced, I hereby submit a copy of our docket record sheet for this application (Attachment A), which indicates the date of correspondence received from the USPTO and date of correspondence submitted to the USPTO. I have also included the July 2010 master docket for the firm (Attachment B). These records do not include any reference to the Office letter dated July 22, 2010, indicating that this letter was never received by my office.

Respectfully submitted,

/Robert H. Reckers/
